Günümüzde teknolojinin de büyük katkısıyla yaşamımız modernleşiyor ve konforlu hale geliyor. Buna paralel olarak yaşam alanlarımızda kullandığımız eşyalar farklı tasarımlarla göz alıcı hale gelmekle kalmıyor; kullanım kolaylıkları da o ürünlerin tercih edilmelerini sağlıyor.

Evlerimizin ve ofislerimizin pencerelerinde kullanılan stor ve jaluzi türü mekanik perdeler vazgeçilmez modern dekorasyon ürünleri olmaya devam ediyor. Bu ürünlere metal aksesuarlar ekleyerek ve ilave kullanım özellikleri getirerek en yeni ürün koleksiyonumuz olan “storlar ve aksesuarları”nı bu katalogda sizler için sergiledik. Birçok üründe parlak metalik renkler başta olmak üzere, fırın boyalı ve özel patine renk seçenekleriyle standart renkler dışında kalan mekan tasarımlarınıza gerçek anlamda renk katmaya da karar verdik.

Şimdiden iyi günlerde kullanmanız dileği ile...

Our life becomes more modern and comfortable with a help of technology. Besides, we choose not only the design products for our living space, but also the items easy to use.

Mechanical curtains, such as roller blinds and venetian blinds, continue to be indispensable modern decoration elements, used for home and office windows.

We present our new collection “Roller Blinds and accessories” in this catalogue with additional metal accessories and usefull features for montage. We also decided to add more color to your space and design , by using non-standard colors, such as various shiny metallic, static painting and special patina shades.

Hope , you will enjoy using it...
